

WELCOME TO THE REICHSHOF HOTEL, HAMBURG

Stories retold: Explore the captivating heritage of Hotel Reichshof. Behind its monumental facade, be inspired by the hotel's grand architecture and historic design elements. Ideally located in the very heart of Hamburg, Hotel Reichshof is the perfect destination for your next event with a variety of unique spaces to suit your every requirement.

LOBBY

The lively lobby at Reichshof Hamburg offers impressive architecture and design elements that complement the dynamic atmosphere of a big city. Enjoy contemporary European cuisine with a creative twist at EMIL'S – Café, Bistro, and Bar, named after the founder Anton Emil Langer. The lounge offers a cosy hideaway for relaxation and also serves as an informal setting for business meetings, featuring a large desk, computers, and a retro record player.

STADT RESTAURANT

Local gastronomy within a historic setting. Savour delicious dishes crafted by Chef Mario Regensburg and his team, showcasing regional and seasonal ingredients with a nod to international influences. Immerse yourself in the ambiance of timeless elegance, where fine marble columns and precious wood paneling provide the backdrop for a memorable dining experience.

BAR 1910

Sample innovative twists on classic cocktails, as well as a selection of high-quality spirits in a memorable location, with over 100 years of history. Guests can also enjoy a game of pool in gorgeous surroundings, with art-deco design features including original wood panelling.

ROOMS & SUITES

Take a rest. The hotel features 279 spacious guestrooms (18-35sqm) and suites (from 40sqm), boasting contemporary design with high ceilings and stylish Art-Déco details. Every room is fully equipped with complimentary WiFi and mineral water, HD TV and air conditioning.

SPA & SPORTS

Relax and recharge in our hotel spa, complete with a sauna, steam bath, relaxation room and gym area. External guests can also enjoy high quality beauty treatments.
